

Jr. Eagles Cheer

Competition Parent and Athlete
Meeting

Welcome!!!

Hello, thank you for joining us this evening. I appreciate you taking the time to be here with us. Up until now we have provided a lot of information, and things are constantly changing. I apologize for any confusion this causes. Our cheer board is constantly working to give you the most up to date information as we receive it. Unfortunately, between the guidance from the State, the IDPH, Department of Commerce, and the IRCA, we are given constant changes to abide by. I'm hoping by the end of this call you will have all the info you need. We will start with a short slide show of what we know, and will end with a question and answer session.

Jr. Eagles Cheer 2020 Safety Policies

We have implemented a safety policy to keep your children, our coaches and jr. coaches and families safe.

- Temperature checks - temperature checks upon arrival and if necessary during practice, health screenings at each practice
- Health screenings - health screenings at each practice
- Attendance - Attendance we ask that your athlete stays home at any time they feel ill, whether with covid symptoms, or any other symptoms. We are also suspending the perfect attendance award for the 2020 season to encourage this best practice

- Hand Sanitizer - We will have hand sanitizer available, and will be used constantly. At arrival, any time the mats are touched, and many times in between. We will provide hand sanitizer, but it could become a large expense for the organization. If anyone is willing to donate a bottle to us, we would happily take it.

- Social Distancing - We will keep 6 feet apart when practicing jumps, tumbling, and movements.

- Water Bottles - Water bottles, each athlete needs their own, and labeled. There is no sharing, and water fountains will not be available.

- Bags - We ask to not bring any bags.

- Restrooms - Restrooms will not be easily accessible. Only in an emergency will the cheerleaders be allowed to go, and only 1 at a time. (With a chaperone for littles)

- COVID-19 Waiver - We will also have a new waiver to sign.

we accept:

-  CLOTHING
-  SHOES
-  BEDDING/TOWELS
-  ACCESSORIES

Fundraisers

Our costs will be going up this year for extra health/safety measures. Our fundraisers will benefit the organization as a whole, and we'd really appreciate any time you can participate.

T M'S
FARM MARKET | GARDEN CENTER | BAKERY | GIFT SHOP

FUNDrive
savers | value village

What we accept

All items must be in good, clean, and sellable condition.

CLOTHING Men's, women's and children's

SHOES Men's, women's and children's

TEXTILES Towels, sheets, blankets, pillows, curtains, tablecloths

ACCESSORIES Hats, mittens, scarves, ties, socks, purses, wallets, backpacks, bags

We cannot accept:

Mattresses, baby gear, appliances, large furniture, auto parts, building materials, cleaning products, tires, flammable materials

Squads

We understand that these times have been difficult for everyone and we will do everything we can to try to make this season FUN!!! We want the girls to have as many of the same experiences as in previous years as possible and be able to continue to build great memories with their friends and teammates.

- Possible Changes to Current Squads

Our squads will be decided based on the number of girls enrolled. Squad breakups may change

- Football Games

Competition squads will not be required to cheer for football this year.

Practices

This season we are hoping to still have (3) 2-hour practices per week. The practice schedule may change this season due to facility availability. Practice days may include weekend days. Our tentative start date for practices is August 3rd

Arrival Safety Screening (for use at all practices)

Because the safety of our cheerleaders is very important to us, we have created an Arrival Safety Screening Procedure, which will be used at all practices and is for the safety of everyone involved.

- **Drop Off/Pick Up Procedures**

A complete written Drop Off/Pick Up Procedure will be sent to all families prior to our first practice. This procedure will focus on the safety of all of participants as well as following the guidelines set forth by the state of Illinois

- **Parent/Driver should not leave the facility until all safety checks are completed successfully**

We ask that Parents/Drivers please not leave until all safety procedures have been completed successfully

Competitions

We are hoping to participate in the 3 IRCA competitions that are still available as well as State if squads qualify. The dates for our registered competitions will be communicated to families around July 15th. The competitions will be live streamed free of charge.

Like any other year, squads will have a designated meeting place for drop offs and pickups. This meeting place will be decided by each squad and communicated to the families by their coach. Currently, athletes will be in the building for about 30 minutes. An alternate entrance will be available for anyone who needs to use the washroom or would like to visit the Cheer Shoppe. Anyone using this alternate entrance must pass the IRCA's temperature check to be allowed to enter the building.

- **Awards**

Awards will also be live streamed free of charge. The platform and time is still to be determined by the IRCA. Some squads may decide to have a fun watch party in lieu of a hair party, so the cheerleaders can be together like in previous years and experience the awards together.

- **Safety**

temp checks will be taken before anyone is allowed to enter the building. Hand sanitizer will be required before and after their performance as well as before and after the squad's warm up and practice.

- **Additional IRCA Announcement**

The IRCA will announce on September 1st their final decision and rulings about masks during squads' performances as well as the possibility of having spectators at the events

- **Additional IRCA Fee**

There will be an additional IRCA COVID fee of \$25 per competition. You have already paid the general registration fee for 4 competitions. Because we are only able to compete in 3 competitions this year, we will automatically use the remaining \$25 towards this additional fee. The organization is looking into options to try to cover the remaining additional expense.

Stunting

Pyramids

Assisted Tumbling

All Jr. Eagles competition squads will be allowed to stunt this season!!!

Masks

- Requirements

in order to be in compliance with Illinois's current safety guidelines, masks must be worn when athletes are unable to maintain the 6-foot social distancing rule (mainly during stunting, pyramids, assisted tumbling)

- Practice Masks

required for every practice and to be supplied by cheerleader's family

- Competition Masks

if required by the IRCA for squad's performance, JGE will supply each cheerleader with 1 competition mask that meets all of the IRCA's spec requirements

- Additional Masks

Additional competition masks can be purchased if needed or desired

The background of the image consists of numerous US one hundred dollar bills scattered across the frame. The bills are oriented in various directions, creating a sense of movement and abundance. The central text is overlaid on a white circular area that is cut out from the middle of the bills.
